

Master Course of Thyroid RF ablation in the U.S. 2018

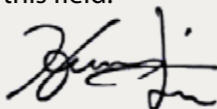

Master Course of Thyroid RF ablation in the U.S. 2018

- Date : 17th of March, 2018
- Time : 09:30 – 14:30
- Place : Sheraton Grand Los Angeles

Dear Doctors,

It is our great honor and pleasure to invite you to “The Master Course of Thyroid RF ablation in the U.S. 2018 (MCTR 2018)”, which will be held on March 17th 2018 in Los Angeles, U.S. We, STARmed, started this program since 2011 with Professor Baek as the course director. This Master Course will cover valuable information on RF ablation of benign thyroid nodules, recurrent and primary thyroid cancers in terms of the basic concept, indications, devices, techniques, clinical outcomes and complications. We have invited distinguished guest speakers in this field from Korea and Europe, so as to provide a wider perspective of this RFA procedure. This conference will be a good opportunity to share our experience on thyroid RF ablation from the experts in this field.

Henry Shin, CEO of STARmed 

Course Director
Jung Hwan Baek
Professor

Department of Radiology and Research Institute of Radiology,
University of Ulsan College of Medicine, Asan Medical Centre
Email: radbaek@naver.com
